

Geography Long Term Plan

	Autumn Term 1	Autumn Term 2	Spring Term 1	Spring Term 2	Summer Term 1	Summer Term 2
Year 1	Our Wonderful World Physical and human features, maps, cardinal compass points, and positional and directional language. Learn about the equator, hemispheres and continents. Introduced to the countries, capital cities and settlements of the United Kingdom. Carry out simple fieldwork to find out about local physical and human features.		Bright Lights, Big City Find out all about London, including its history, transport and famous landmarks.		HISTORY FOCUS	
Year 2	Let’s Explore the World Atlases, maps and cardinal compass points. The characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world. Compare England to Somalia. Carry out fieldwork, collecting primary data in their locality to answer geographical questions.		Coastline The physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.			
Year 3	Our Planet, Our World Locate countries and cities, use grid references, compass points and latitude and longitude. Learn about the layers of the Earth and plate tectonics and discover the five major climate zones. Learn about significant places in the United Kingdom and carry out fieldwork to discover how land is used in the locality.		Rocks, Relics and Rumbles The features and characteristics of Earth's layers, including a detailed exploration of volcanic, tectonic and seismic activity.
