Thursday 4th September 2025

Dear Little Gonerby families,

Welcome back! We hope that all you all had a joyful and restful summer break, filled with wonderful memories and well-deserved relaxation. We are excited to welcome our families back to a new academic year at Little Gonerby Church of England Primary Academy.

As a church school rooted in Christian values, we begin this term with a renewed sense of purpose, ready to support all of the children not only in their academic growth but also in their spiritual & personal development. Our school vision of *“Cherishing Everyone, Flourishing Together”* guides everything we do, and we look forward to working together to ensure all parts of our school community flourish.

We are delighted to welcome our new Reception children and any new families joining us this year. We hope you quickly feel part of our school community. We are also pleased to welcome our new staff to the school and to have a Year 5 class for the very first time! Our staff have been working hard to prepare for the term ahead, creating stimulating and welcoming learning environments for the children.

This term, we have a full and exciting curriculum planned, including enriching topics and special events. We will continue to communicate regularly through newsletters, the school website, and ParentHub. Attached with this letter are the calendar of events for this academic year – the dates are subject to change, but more details will always be shared prior to the planned events. Your child will be bringing a printed out version of these dates too.

Exciting developments!

Starting at the end of this term, our perimeter fences & gates are being replaced and upgraded. This is a significant investment in the school site to maintain safety for our school community – we were able to secure the funding for this project thanks to colleagues across Infinity Academies Trust. We will write in the next few weeks to share the implications of this with you as there will be some changes to how the school is accessed during the building work after the October half term.

Home-school communication

Should you have any questions or concerns at any point, please don't hesitate to speak to your child's class teacher or contact the school office. We value your partnership and know that when we work together, the children thrive. A reminder of what home-school communication should look like at Little Gonerby can be found overleaf.

Here's to a happy and successful year ahead!
